

LOKESH PRASANNA M

Full Stack Developer — UI/UX Designer

Dindigul, Tamil Nadu — +919566864218 — Portfolio — GitHub — LinkedIn

Summary

Computer & Communication Engineering student with hands-on experience in full-stack development and a growing interest in UI/UX design. Experienced in Java, Spring Boot, Angular, and React.js. Familiar with Figma for creating responsive UI layouts and wireframes. Passionate about building clean, intuitive, and user-friendly web applications.

Technical Skills

UI/UX: Figma (Basic), Wireframing, Responsive Design

Design Tools: Canva (Basic)

Languages: Java, Python, C, HTML, CSS, JavaScript

Frameworks: Spring Boot, Angular, React.js

Databases: MySQL, MongoDB Atlas

Tools: Git, Maven, Gradle

Internships

- **Full Stack Development Intern, SDL C** (Jun 2024): Developed responsive web applications using Java, HTML, CSS, JavaScript and MySQL.
- **Data Science Intern, E-Soft Solutions** (Dec 2024): Performed data preprocessing and basic machine learning analysis using Python.
- **Tech Intern, Infosys Springboard** (Dec 2025): Built AI-based applications using Angular, Spring Boot, MySQL and OpenAI API.

Projects

- **Smart Learning Platform (2025):** Developed a responsive full-stack learning platform using Java, Spring Boot and Angular with a clean, user-friendly interface.
- **Gym Healthcare Fitness System (2026):** Designed a responsive fitness dashboard using HTML, CSS, JavaScript and Spring Boot for workout tracking.
- **Smart Trolley (2026):** Built an intuitive shopping interface using React.js, Python Flask and MongoDB Atlas for real-time product tracking.

Education

VSB Engineering College, Karur

2023 – 2027

B.E. Computer & Communication Engineering

CGPA: **8.5**

MSP Solai Nadar Memorial Hr. Sec. School

2021 – 2023

Percentage: **76.3%**

Soft Skills

- Problem Solving
- Time Management
- Adaptability
- Quick Learner

Certifications

- NPTEL – Programming in Java (Elite Gold)
- Cisco – Cybersecurity
- Infosys Springboard – Java Foundation
- NASSCOM – Gen AI Fluency
- IEEE GCAT 2025 – Presented research paper at an international conference
